

Unique play attractions for schools and public places throughout the UK

# CASE STUDY

## FOREST SCHOOL

Location: London  
Budget: £90,000  
Installed: July 2021

We were delighted to be invited back to Forest School for phase 2. The design incorporates colourful canopy panels in the branch den, outdoor classroom and boat themed climbing structure. The boat themed climbing provides a challenge for all ages and abilities, featuring a social slide, clamber net, parasol, fireman's pole, wobbly ladder and climbing wall. The play space also includes a performance area and monkey bars.
