CASE STUDY

MANOR GREEN

Location: Crawley
Budget: £25,000
Installed: September 2022

We were honoured to be chosen to work on this special project with Manor Green School. The bespoke forget me not canopy was built in memory of one of their pupils. Placed over an existing seating circle, the canopy offers a quiet sheltered seating space within their garden, to accompany the parasol nearby. The end result is a stunning and we hope it will be enjoyed for years to come.
