

Unique play attractions for schools and public places throughout the UK

CASE STUDY

ST MARKS
PRIMARY SCHOOL

Location: Bude, Cornwall
Budget: £20,000
Installed: October 2023

St Marks School is set in the most beautiful location near Bude in Cornwall. The school contacted us in early 2023 for a quote for one of our printed canopies. Having received the initial estimate the school were keen to go ahead so we arranged to visit.

We met with the head teacher Tanya and Ruth from the parents association, they told us the most heart warming story of how they had the funds for the canopy, a local farmer had passed away and left money to the school and 11 other charitable funds in the Bude area. Naturally, the school wanted to recognise the very kind donation and asked if we could feature a farmer within the printed panels. we were of course delighted to do so.

The finished canopy looks stunning and gives the school a wonderful covered outdoor space to be used for play and learning.

"It's amazing and kids love it, you have made a great creative and colourful space for all to enjoy. Please pass on our thanks to the people that worked on the project" - Ruth Knight PTA
